Chicago Downtime in Downtown

Whilst work comes first we always look to find some downtime and Chicago gave use the opportunity to find some time to play shoot some pool in this downtown bar. We also have the opportunity to watch some baseball. A new format has the pitcher on a timer which speed the game up nicely. Hotdogs, Nachos and Beer now have Steve and Rob supporters of the Chicago White Sox - Go Sox!

Our very own Plan Grow Do team is headed to the sun-soaked city of Palm Springs, California on 9th October! We are thrilled to announce that we have been invited to deliver a talk titled, "5 Ways to Sell in an Ever-Changing World." This engagement is a testament to our team's dedication and expertise in the evolving landscape of sales and marketing. As we continuously adapt to the shifts in the business environment, we're eager to share our insights and strategies with fellow professionals! Stay tuned for updates on our work with ILMA.
